

COMFORT 5

The Comfort 5 features the Cardio Compass heart rate display and a gel seat that further enhances comfort. The multi-position handlebars with contact grips make it easier to find your ideal riding position and monitor your heart rate, while ViaFit connectivity enables you to track your fitness over time.

FEATURES

- Unique step-through frame for increased accessibility
- Innovative Cardio Compass heart rate display for visual exertion feedback
- Ergonomically designed grips for a comfortable hand position
- Thoughtful, unique storage to keep water and towels within reach

With ViaFit, you'll never have to manually enter your workouts again because your machine will do it for you. Go to ViaFitness.com or download the app to connect your equipment, track your efforts and share your progress.
